

LAMPORT AND HANGING HOUGHTON PARISH COUNCIL

ACCESSIBILITY STATEMENT

The Parish Council confirms that because of the following reasons, it is not required to change its website to comply with accessibility law:

- a) The cost to instal and maintain an alternative website which is legal under accessibility law would be prohibitive due to the size of the Parish Council and the number of parishioners it serves.
- b) Likewise, the additional time required by the Parish Clerk to manage the new website would be excessive bearing in mind the Clerk's contractual hours of work.
- c) The Clerk will provide ways to source alternative copies of non-accessible documents on request.
- d) Any queries relating to this statement should be addressed to the Parish Clerk:

This statement will be reviewed annually by the Parish Council
